

## **BIIAB - Level 2 National Certificate for Licensing Practitioners**

### **What does the qualification cover?**

The BIIAB Level 2 National Certificate for Licensing Practitioners gives a broad introduction to the process of licensing including:

- the duties of a licensing authority
- applications and determination of a licence being granted
- hearing and appeal processes and procedures
- the duties of applicants
- the powers and rights of the relevant authorities to inspect licensed premises
- sanctions

### **What are the benefits of obtaining this qualification?**

This qualification is the first step towards professional recognition of the licensing role. A BIIAB Level 3 Advanced Certificate is planned for 2006, which will lead into university courses.

### **Why choose the BIIAB Level 2 National Certificate for Licensing Practitioners?**
